

# MECHANICAL ENGINEERING BSME GENERAL ELECTIVES (LIST 2)

A maximum of seven credits may be selected from this list (may vary by year started).  
As few as zero credits may be selected from this list. A total of 13 credits of advanced engineering and general electives must be completed by a student.  
Courses cannot satisfy two requirements.

## Mathematics and Basic Sciences

Course cannot duplicate material required for BSME curriculum

### Mathematics

MATH 223

MATH course at 300+ level

### Basic Science

Any course from ASTR, ATMO, BIOL, CHEM, EVRN, GEOG, GEOL, PHSX

## Engineering

Any course from School of Engineering which does not duplicate material required for the BSME curriculum<sup>1</sup> (*courses must obtain KUME approval prior to receiving credit*)

### Mechanical Engineering

ME 360 Mech. Engr. Problems

ME 361 Undergrad Honors Research

## Business and Economics

### Business

Any course from School of Business

### Economics

Any ECON course

## KU Core Courses

Any course accepted for the KU Core beyond what is used to satisfy the requirements for the KU Core or the BSME degree

## Other Electives

### Foreign Language

Any course from a foreign language department (in a non-native language)

### Music

Any course from the School of Music

### Design

Any course from the School of Architecture, Design and Planning

### Visual Art

Any course from the Department of Visual Art

### Honors

Any HNRS course

### ROTC

ROTC credit is accepted only for students who complete the ROTC program

<sup>1</sup> Introductory engineering discipline courses outside of ME will not be accepted once a student is declared as a Mechanical Engineering Major.
